## RESTAURANT

Three fundamental elements define a truly unforgettable dining experience. Firstly, the ambience sets the stage, and at our restaurant, it's an undeniable marvel. Just lift your glance from the menu, and you will be captivated. Secondly, excellent service is essential. Our colleagues dedicate themselves diligently each day to ensuring that our valued guests receive the utmost attention and care. Lastly, the cuisine takes center stage. We consistently opt for locally sourced, fresh ingredients for our offerings, aiming to create something exceptional. While every dish on our menu fills us with pride, there are a select few, particularly cherished Hungarian classics, that hold a special place in our hearts and are always a delight to savor.

We have marked these dishes with a **GOLD COLOR** on the menu.
